# SCHUNCK GROUP – YOUR COMPETENT PARTNER FOR INSURANCE AND RISK MANAGEMENT

If it's a matter of road haulers' and freight forwarders' liability, transport and logistics, no-one can show us how – we simply offer you much more.

The SCHUNCK GROUP is one of the leading international insurance brokers with 27 branches all across Europe and an international and highly expertised network worldwide. Independent. A highly competent consultant. The commitment to our clients means supremely good service-performance. We are focusing on broad band but with special areas of competence – of particular importance for the medium-sized companies of today.

## **Our range of services**

- analysis of a company's specific risks
- individual, tailor-made insurance concepts
- risk management with loss prevention measures
- development of optimized insurance products of our own
- on-going client support
- fast, worldwide claims assessment and settlement

SCHUNCK GROUP was founded more than 90 years ago and has a very long tradition and close relationship to the international moving industry.

One of our main products is the mover-web ([www.mover-web.com](http://www.mover-web.com)), which is a web-based insurance and claims reporting solution. mover-web is our intension to provide you with innovative insurance solutions particularly developed for the needs of the “High Quality” moving industry and the clients.

Additional benefits of the mover-web are:

- web-based informations available 7 days/24 hours saves time and money.
- up to 25 % reduced premiums for replacement value with valued inventory

Beside the insurance of transports covers e. g. travel insurance or household contents insurance at destination are self-evident for us. mover-web has become a great success and is available in English and German language. The next relaunch of mover-web will be soon and at this time the mover-web will be available in French language as well!
